

## **EXHIBIT A**

### **ELIGIBLE SERVICES**

**(Effective as of December 22, 2017)**

The following Comcast Business Services shall be eligible for Commissions under the Agreement:

#### **Basic Voice Service**

- Comcast Business Voice (including basic and full featured voice lines)

#### **Advanced Voice Service**

- Business VoiceEdge and VoiceEdge Select;
- SIP Trunks; and/or
- PRI Trunks.

#### **Internet Service**

- Comcast Business Internet

#### **Ethernet Service**

- Ethernet Dedicated Internet (EDI)
- Comcast Business Ethernet Transport Services

#### **Software-Defined Networking Delivered on the Active Core SDN Platform**

- Comcast Business SD-WAN

#### **Video Monitoring**

- Comcast Business SmartOffice™
- This service is not a security service and does not include professional monitoring.
- SmartOffice shall be deemed a separate Line of Service for purposes of Schedule 1 of the Agreement.
- With the addition of Comcast Business SmartOffice as an Eligible Service, which is subject to heightened regulatory requirements, Representative is reminded of the restrictions contained in Sections 4 and 7 of the Agreement that strictly prohibit Representatives from:
  1. conducting any advertising or marketing campaigns (including email blasts and direct mail) related to any Comcast Services; and
  2. using the “Comcast” name or any Comcast service or trademark, including without limitation, the “SmartOffice” name or mark.

For the avoidance of doubt, any Comcast Business TV/Video services, including MDTA, are not eligible for Commission under the Agreement.
