

COMCAST BUSINESS XFINITY STREAM

Watch TV on any device,
anywhere in your business

With Comcast Business Xfinity Stream you can watch your favorite TV networks while at your business. It also offers your guests, customers and patrons an enhanced in-office experience, making it easier than ever to stay up-to-date with the latest in live news and entertainment. The Xfinity Stream App is another way Comcast Business is bringing the latest innovations to your business.

ADVANCED FEATURES INCLUDE:

-  Watch live TV from any device - mobile, tablet, or computer
-  Eliminate the hassle and cost of setting up additional TVs for your employees and customers
-  Included at no additional cost with Comcast Business Video and Internet subscription
-  Let employees and customers watch what's relevant to them while controlling access, making sure TV never gets in the way of your business

STREAMING IS AS EASY AS 1-2-3

1. Download the Xfinity Stream App or visit business.comcast.com/stream
2. Click the "Sign in here" link next to "Comcast Business customer" and sign in using your credentials
3. Start Streaming

NEED MORE REASONS TO GET XFINITY STREAM?

Get Comcast Business Xfinity Stream for your waiting room, lobby or breakroom to entertain your customers while they wait and to keep your employees informed. Choose from one of our five TV packages designed to meet the needs of any small business with prices that won't break your budget.
