

# COMPLETE SOLUTIONS FOR YOUR MEDICAL OFFICE

You know Comcast Business has faster internet, but our solutions go beyond fast with so much more. See how our full suite of solutions can make a difference for your business.

## **Entertain Patients with Comcast Business TV**

Offer patients entertainment while they wait for their appointment. Stay on top of breaking local and national news. View live TV on any screen — mobile, tablet or desktop — with Xfinity Stream from Comcast Business.

## **Connect with Fast and Reliable Internet on Gig-Speed Network**

Quickly transmit and download large files, images and patient device data. Conduct video-based remote diagnosis and consultation. Let patients schedule appointments and check lab results via email or online portals. Maintain security with built-in firewall protections and static IP configurations.

#### **Be Anywhere with VoiceEdge Select**

Ensure that patient and colleague calls come through reliably and clearly. Make and receive business line calls after hours from anywhere with your mobile phone. Advanced features let you create a customized greeting and easily route incoming calls.

## **Keep Patients and Employees Connected with WiFi Pro**

Let patients connect to social media and the internet for free while they wait. Provide tablet-based checkin, check-out and form preparation. Maintain upload/ download speeds and keep sensitive patient data secure with separate office and visitor connections.

### Stay Connected with - Connection Pro

Maintain continuous access to critical patient data and telehealth systems in the event of a power outage or unforeseen circumstances with 4G LTE wireless backup.

#### Ensure Peace of Mind with Comcast Business SmartOffice

Keep an eye on your office and critical supplies from anywhere, on any device, with an advanced video monitoring solution.
