

Complete Solutions for Your Auto Shop

You know Comcast Business has faster Internet, but our solutions go beyond fast with so much more. See how our full suite of solutions can make a difference for your business.

COMCAST BUSINESS

AUTHORIZED CONNECTOR

Keep Customers Entertained with Comcast Business TV

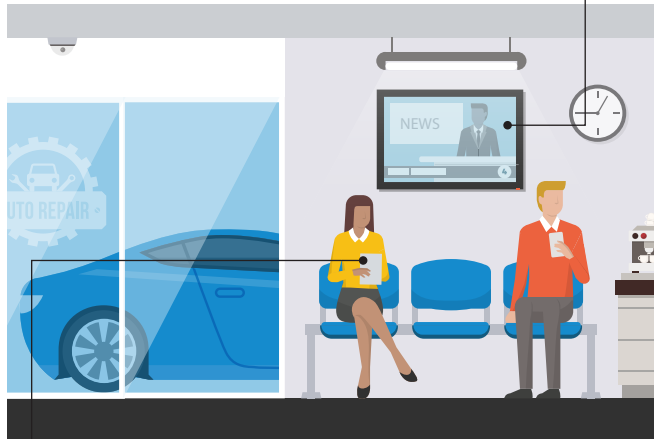

Give customers the entertainment they crave and the exceptional experience they deserve while waiting for their vehicles. Stay on top of breaking local and national news.

Maintain Continuity with Connection Pro

Run essential shop functions in the event of a power outage or unforeseen circumstances with automatic 4G LTE wireless backup.

Be Anywhere with VoiceEdge Select

Stay connected to customers, staff and vendors with your business number, even when you're away from the shop. Advanced features let you create a customized greeting and easily route incoming calls.

Engage Customers with WiFi Pro

Promote your offers when customers log on to your WiFi. Let customers connect to social media and the internet for free while they wait. Separate customer and employee WiFi connections let you maintain upload/download speeds and data security.

Connect with Fast, Reliable Internet on Gig-Speed Network

Get fast, secure and reliable internet access for ordering parts, reviewing OEM manuals, connecting diagnostic tools and online training. Enable POS systems for quicker check-outs. Improve your presence with social media marketing and an appealing website.

Ensure Peace of Mind with Comcast Business SmartOffice

Keep an eye on your valuable inventory, equipment, property and customer cars from anywhere on any device, with an advanced video monitoring solution.

For more information, contact your Comcast Business Solutions Provider.

Restrictions apply. **TV:** Available for private viewing venues only and is not available for public viewing areas such as bars, restaurants and residential addresses. **STREAM:** Not available in all areas.
