

# Bounce Forward™ with Comcast Business

Technology and solutions  
to take on what's next.

## Comcast Business is committed to keeping you and your business connected, with innovative solutions and support to embrace new opportunities.

While your business has been facing new daily challenges – and may continue to – Comcast Business is here to help you not just bounce back, but Bounce Forward...faster and better than before with the technology and support you need to take on whatever's next.

### Here's how we can help:

#### Fast, reliable Internet

Up to a gig, get the bandwidth your business needs to power all of your connected devices

#### Flexible packages and pricing

Get exactly what your business needs now

#### Support to help guide your business

In an ever-changing business environment, get the guidance and support to choose the right solutions to power your business

#### Agile, simple connectivity solutions, including:

- **Comcast Business At Home** – Provides you and your employees with business-grade Internet in the home
- **Comcast Business SecurityEdge™** – Cybersecurity solution that helps protect your business against malicious threats
- **Connection Pro** – Automatic Internet backup to help you stay connected

### For more information,

contact your Comcast Business representative to learn how Comcast Business can help you Bounce Forward.

Be Fast. Be Flexible. **Bounce Forward™**

COMCAST  
**BUSINESS**

Restrictions apply. Features and services vary depending on level of service. Maximum download speed 940 Mbps when hardwired via Ethernet. Actual speeds vary and are not guaranteed. Connection Pro and Comcast Business SecurityEdge™ each require a subscription to Comcast Business Internet. Connection Pro backup time varies depending on number of devices and is not guaranteed. Comcast Business SecurityEdge™ does not prevent access to Internet sites if connected via public WiFi, virtual private network technology or non-Comcast DNS servers. Customer must have Comcast Business service(s) at a commercial location to qualify for Comcast Business At Home. Services provided to Customer employees at residential addresses are subject to Comcast Business At Home terms and conditions. © 2020 Comcast. All rights reserved.
