

10 Reasons to Refer Comcast Business

COMCAST
BUSINESS

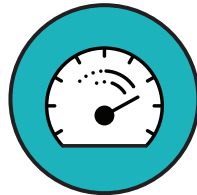

AUTHORIZED
CONNECTOR

The Authorized Connector Referral Program allows you to earn rewards by referring your existing customers to Comcast Business. In addition to earning more revenue, there are 10 great reasons to start referring today! To learn more, visit www.comcastbizleads.com.

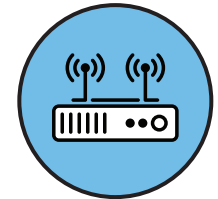

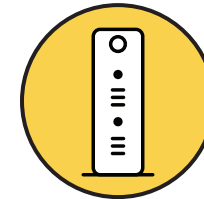

1 Comcast is continually investing in our network – to the tune of \$1.5 billion annually.

2 Comcast is building the nation's largest Gig-speed Network, giving customers the speed they need to support more connected devices...and transform their business.

3 We go beyond fast, offering more than internet, with products to help power your business.

4 Comcast Business offers automatic 4G LTE wireless backup connection and up to 6 hours of battery backup for Comcast Business Internet customers with Connection Pro.

5 Comcast Business offers Internet customers WiFi Pro with separate networks for customers and employees...plus access to over 19 million free XFINITY WiFi hotspots nationwide.

6 Keep an eye on the office and inventory with our HD, cloud-based video monitoring solution, Comcast Business SmartOffice™.

7 Two-hour appointment windows, flexible installation times and 24 x 7 customer service.

8 The right voice solution for your customers' business with advanced features including automated attendant and mobility.

9 Ability to refer your customers so they get the technology services they need—and you can get paid for qualified leads.

10 Authorized Connector program that's easy to manage – from entering referrals to getting paid, via direct deposit.
