

Comcast Business Connection Pro

4G LTE wireless
Internet backup

Peace of mind with automatic 4G wireless backup.

There's no such thing as just another day in business. Every day is *the day*, so if you're not connected, your business can suffer. No business likes down time, which is why Comcast Business keeps you ready for the day with automatic 4G wireless backup connection and 8- or 16-hours of battery backup for peace of mind.

If Internet connection is lost, it automatically kicks in with the stronger of two redundant wireless networks. This helps power business functions until full connectivity can be restored, keeping you ready for what's next.

Features and benefits

Automatic 4G wireless Internet backup

4G LTE wireless connectivity kicks in automatically
