

# Complete solutions for your bar or restaurant

COMCAST  
BUSINESS

Whether you're serving your first guest or your thousandth, you know every day is a big day. We'll help keep your bar or restaurant ready for what's next.

## Comcast Business. Powering Possibilities™

Get the best future-ready solutions to stay connected — anytime, anywhere.

### Support new digital services and operations with Business Internet

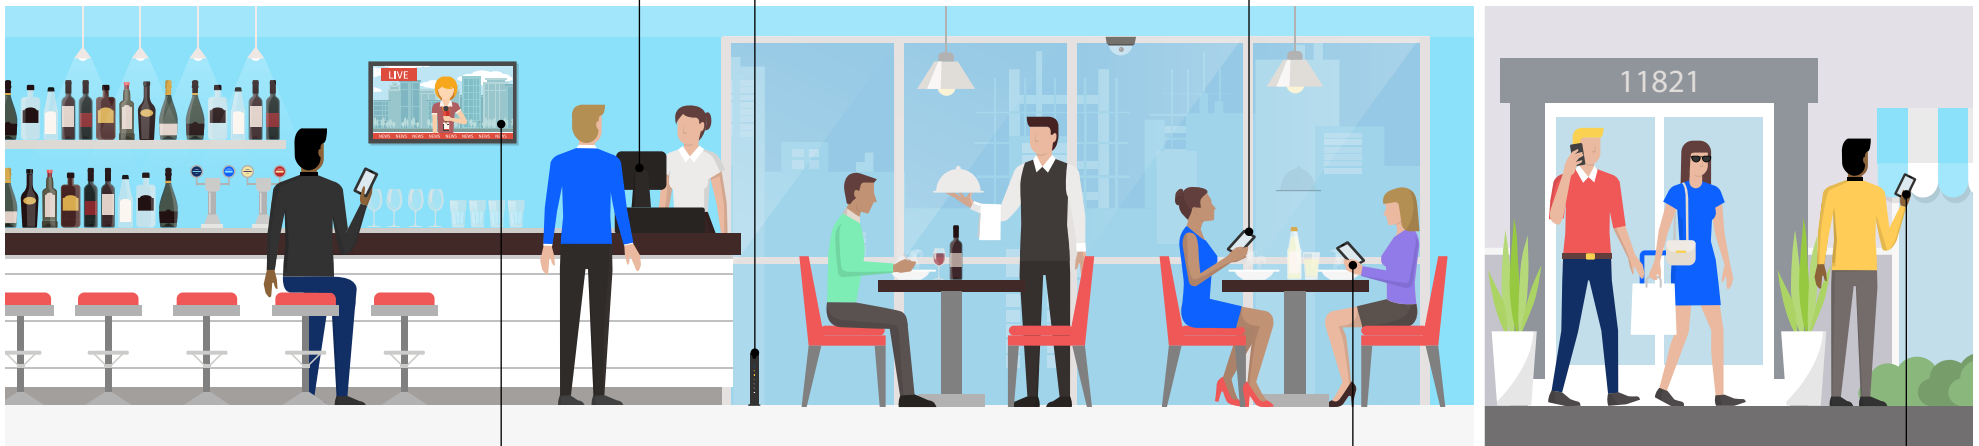

Ensure POS, reservation and inventory systems run simultaneously during busy hours, with fast, reliable Internet on the nation's largest Gig-speed network and the bandwidth you need to support business and patron use.

### Maintain continuity with Connection Pro

Keep your business connected to Comcast Business Internet service for up to 8 or 16 hours during an outage with automatic 4G LTE Internet backup.

### Keep guests connected with WiFi Pro

Connect guests to online menus, ordering and payment apps. Promote specials on your splash page. Get coverage for the entire premise, plus advanced analytics and insights you can use to enhance your customers' experience.

### Create an exciting atmosphere with Comcast Business TV

Bring guests in the door with the shows, games and events they want to see. Set the mood with commercial-free digital music channels. We make all your TVs easy to manage from one location using the X1 Voice Remote App.

### Protect yourself from costly security breaches with Comcast Business SecurityEdge™

Protect your Internet-connected devices from cyberthieves. Block employees and guests from accessing unwanted websites. Our cloud-based security solution scans for new threats every 10 minutes and emails you about suspicious activity.

### Avoid missed calls with Business VoiceEdge

Easily route incoming calls for takeout, reservations or events. Polish your presence with call routing and customizable greetings. Our cloud-based phone system is mobile and can be managed from anywhere.
