

Complete solutions for your hotel

COMCAST
BUSINESS

Whether you serve leisure guests, business travelers or a mix of both, every day at your property is a big day. We'll keep you ready for what's next.

Comcast Business. Powering Possibilities™

Get the best future-ready solutions to stay connected — anytime, anywhere.

Support new digital services and operations with Business Internet

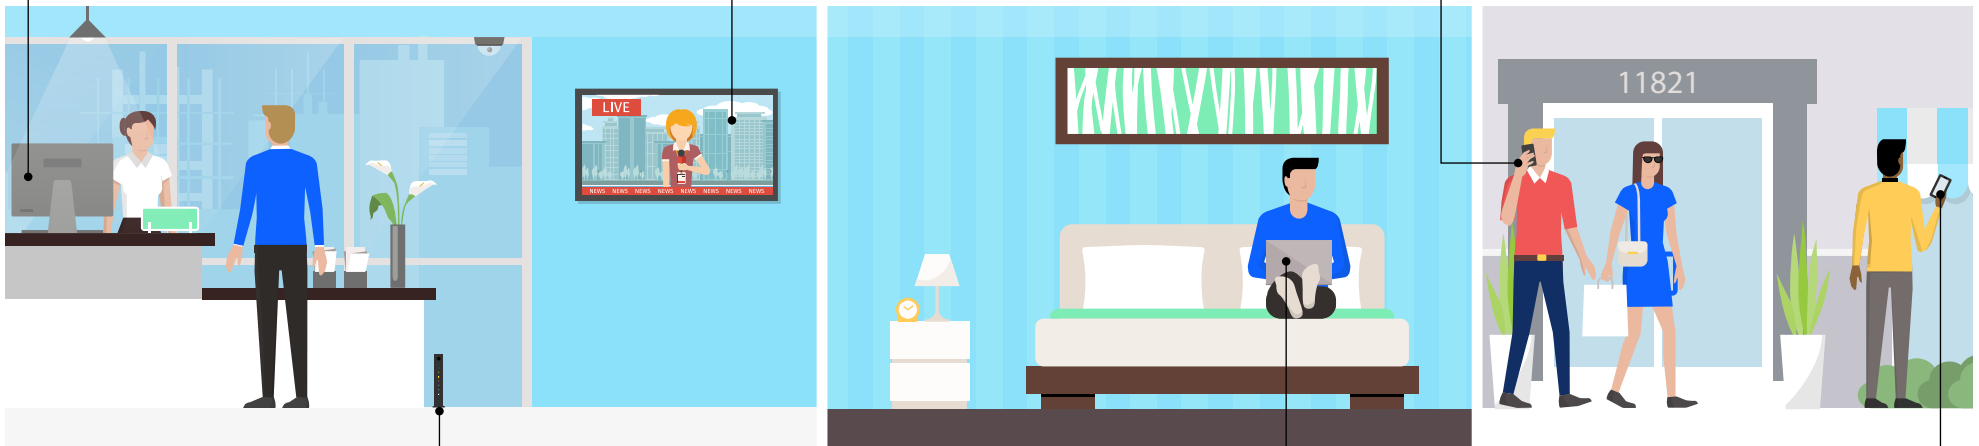

Ensure reservation, POS and back-office systems run simultaneously during busy hours, with fast, reliable Internet on the nation's largest Gig-speed network, giving you the bandwidth you need to support business and guest use.

Create an exciting atmosphere with Comcast Business X1 for Hospitality

Entertain guests in your lobby or bar/restaurant and keep them informed of the day's news. Provide home-like amenities with in-room entertainment, powered by the easy-to-use X1 platform. Easily manage all your TVs from one location using the X1 Voice Remote App.

Avoid missed calls with Business VoiceEdge

Easily route incoming guest calls. Polish your presence with customizable greetings. Get one-click, instant access to host and join audio conferences. Our cloud-based phone system is mobile and can be managed from anywhere.

Maintain continuity with Connection Pro

Keep POS and reservation systems up and your business connected to Comcast Business Internet service for up to 8 or 16 hours during an outage with automatic 4G LTE Internet backup.

Help protect yourself from costly security breaches with Comcast Business SecurityEdge™

Help protect your Internet-connected devices from cyberthieves. Block employees and guests from accessing unwanted websites. Our cloud-based security solution scans for new threats every 10 minutes and emails you about suspicious activity.

Keep guests connected with WiFi Pro

Connect guests to their apps, business files and streaming content. Allow them to check in and out remotely by connecting to the hotel's app. Highlight promotions on your splash page. Get coverage for the entire property, plus advanced analytics and insights you can use to enhance the guest experience.
