

# Complete solutions for your medical office

COMCAST  
BUSINESS

Whether it's your first day in business or your tenth year, you know every day is a big day. We'll help keep your medical office ready for what's next.

## Comcast Business. Powering Possibilities™

Get the best connectivity solutions to stay connected — anytime, anywhere.

### Keep patients and employees connected with WiFi Pro

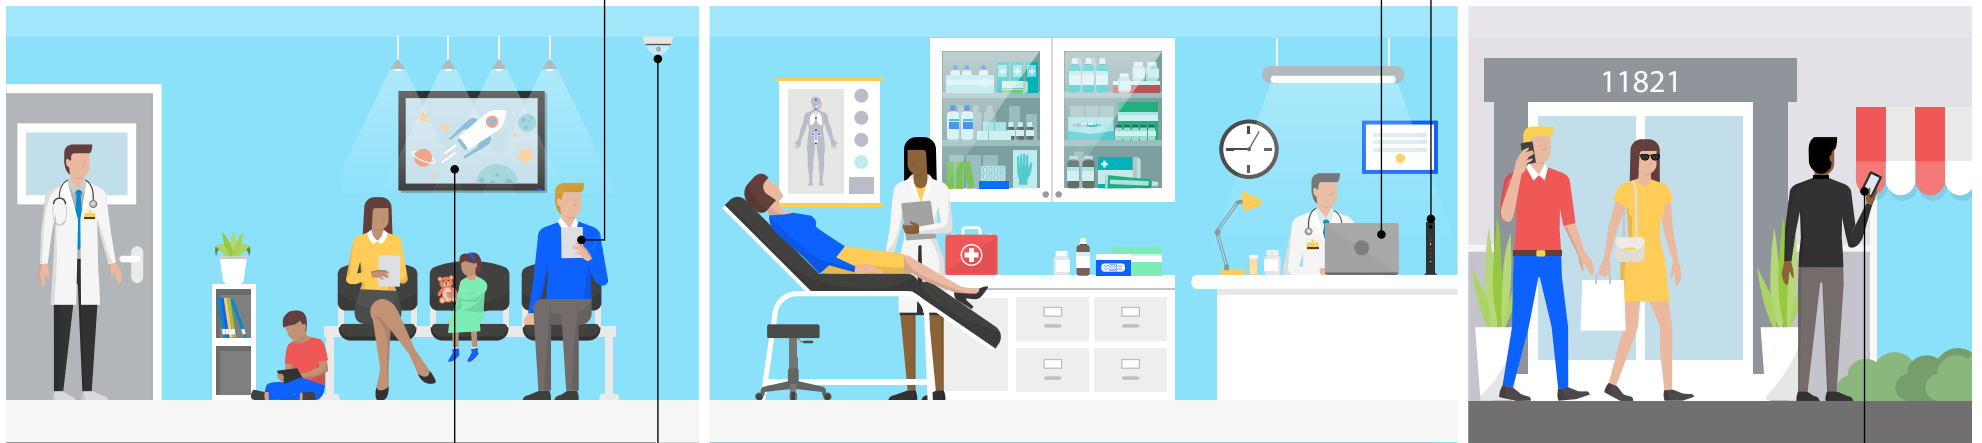

Let patients connect to social media and the Internet for free while they wait. Provide tablet-based check-in, check-out and form preparation. Maintain upload/download speeds and keep sensitive patient data secure with separate office and visitor connections.

### Improve productivity with fast, reliable Internet on the nation's largest Gig-speed network

Quickly transmit and download large files, images and patient device data. Conduct video-based remote diagnosis and consultation. Let patients schedule appointments and check lab results via email or online portals. Maintain security with built-in firewall protections and static IP configurations.

### Help maintain continuity with Connection Pro

Help keep your office connected in the event of a power outage or unforeseen circumstances with 4G LTE wireless backup.

### Keep patients entertained with Comcast Business TV

Enhance your patient's waiting experience by offering live TV. Find the right programming easier than ever with X1 for Business. View live TV on any screen — mobile, tablet or desktop — with Xfinity Stream from Comcast Business.

### Ensure peace of mind with Comcast Business SmartOffice™

Keep an eye on your office and critical supplies from anywhere, on any device, with an advanced video monitoring solution.

### Be Anywhere with Comcast Business Voice Solutions

Ensure that patient and colleague calls come through reliably and clearly. Make and receive business line calls after hours from anywhere with your mobile phone. Advanced features let you create a customized greeting and easily route incoming calls.
