

Complete solutions for your medical office

COMCAST
BUSINESS

Whether you're caring for your clinic's first patient or you've been in practice for decades, every day is a big day. We'll help keep your practice ready for what's next.

Comcast Business. Powering Possibilities™

Get great connectivity solutions to help you stay connected – anytime, anywhere.

Help protect data from costly security breaches with Comcast Business SecurityEdge™

Help protect your Internet-connected devices from cyberthieves. Block staff and patients from accessing unwanted websites. Our cloud-based security solution scans for new threats every 5 minutes and can alert you about suspicious activity.

Access and share information with fast Internet on the nation's largest, reliable network

Get fast and reliable Internet for accessing and sharing electronic records, imaging files and cloud apps.

Get continuity with Connection Pro

Help keep devices connected to Comcast Business Internet service for up to 8 or 16 hours during an outage with automatic 4G LTE backup.

Create a welcoming environment with Comcast Business TV with X1 for Business

Keep patients entertained while they wait. Keep staff informed and entertained while on break. Find appropriate programming easily and control what is on TV from a single source. View live TV on any screen — mobile, tablet or desktop — with Xfinity Stream from Comcast Business.

Keep staff connected with WiFi Pro

Help everyone throughout your clinic stay connected with multiple WiFi access points. Separate business and public WiFi connections let you maintain Internet speeds.

Be anywhere with Comcast Business Voice solutions

Stay connected to patients, staff and other providers with your business number, even when you're away from the office. Advanced features let you create a customized greeting and easily route incoming calls.
