

Complete solutions for your religious organization

COMCAST
BUSINESS

Whether it's your first day or your tenth year serving your community, you know every day is a big day. We'll help keep your religious organization ready for what's next.

Comcast Business. Powering Possibilities™

Get great connectivity solutions to help you stay connected — anytime, anywhere.

Keep members connected with WiFi Pro

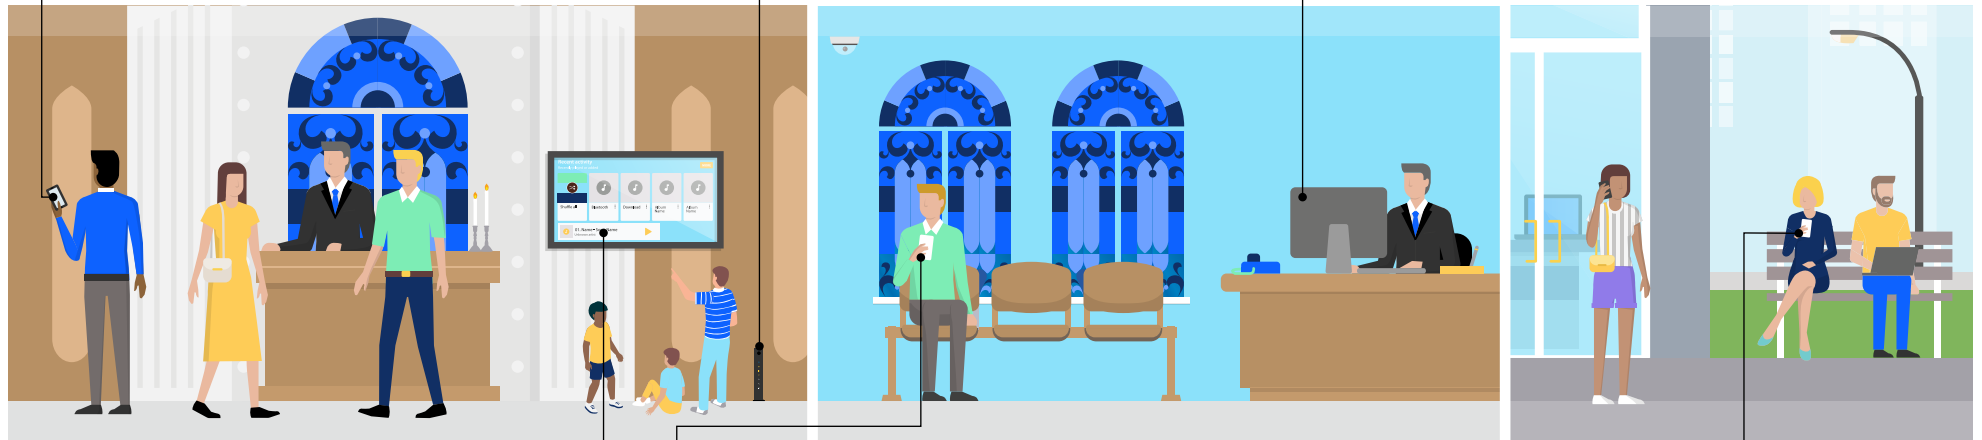

Promote upcoming events, religious study groups, and more when members log on to your WiFi. Network scheduling allows you to turn off WiFi during services, and separate business and public WiFi connections let you maintain Internet speeds.

Get continuity with Connection Pro

Stay connected to Comcast Business Internet service for up to 8 or 16 hours during an outage with automatic 4G LTE Internet backup.

Engage the community with fast Internet on the nation's largest, reliable network

Get fast and reliable Internet access for sharing updates online and live-streaming services. Attract new members with an appealing and fully functional website.

Create a welcoming environment with Comcast Business TV

Provide your religious leaders with up-to-date news. Add to your organization's ambiance with commercial-free digital music channels. Keep children entertained and find appropriate content easier than ever with X1 for Business.

Help protect data from costly security breaches with Comcast Business SecurityEdge™

Help protect your Internet-connected devices from cyberthieves. Block employees, volunteers and parishioners from accessing unwanted websites. Our cloud-based security solution scans for new threats every 5 minutes and can alert you about suspicious activity.

Be anywhere with Comcast Business Voice solutions

Stay connected to congregants, the community and volunteers with your business number, even when you're away from your place of worship. Advanced features let you create a customized greeting and easily route incoming calls.

Restrictions apply. Not available in all areas. Services and features vary depending on level of service. Comcast Business SecurityEdge, Connection Pro and WiFi Pro each require Comcast Business Internet for additional monthly charge. Internet: Actual speeds vary and are not guaranteed. Connection Pro: Backup times vary depending on number of connected devices and are not guaranteed. SecurityEdge: Does not prevent access to Internet sites if connected via public WiFi, virtual private network technology or non-Comcast DNS servers. ©2022 Comcast. All rights reserved.
