

# Complete solutions for your **fitness center**

Comcast Business is powering fitness centers like yours with future-ready solutions, helping to keep you ready for what's next.

## Comcast Business. Powering Possibilities™

Get the best connectivity solutions to stay connected — anytime, anywhere.

### Help maintain continuity with **Connection Pro**

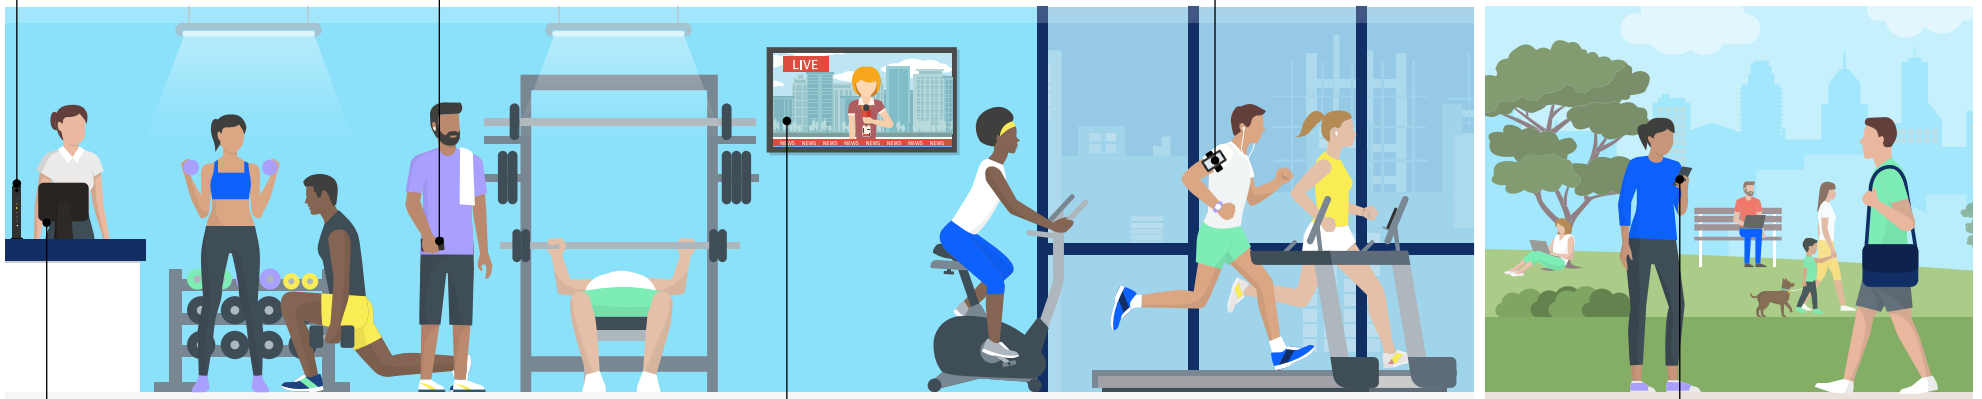

Help keep your fitness center connected in the event of a power outage or unforeseen circumstances with automatic 4G LTE backup.

### Equip members with fast, reliable Internet on our next-gen network

Get fast, secure and reliable Internet access to manage different class schedules, host online classes, and share news, updates and hours of operation online. Offer a fully functional website that promotes your events, services, and allows for membership purchases and renewals to be completed with ease.

### Keep members connected with **Gig-speed WiFi**

WiFi Pro from Comcast Business separates business and customer WiFi networks and allows members to stay connected while they work out, without impacting employee Internet speed. Promote upcoming classes, special events or business changes when guests log on to your WiFi. Encourage members to check in and share their experiences on social media.

### Help protect from costly security breaches with **Comcast Business SecurityEdge™**

Help keep your fitness center protected with an advanced security solution that blocks cyber threats on all devices connected to your network. Our security solution automatically updates every 5 minutes and will help members feel confident knowing their personal information is kept safe.

### Enhance the customer experience with **Comcast Business TV**

Provide your members with live TV while they work out. Create an exciting atmosphere with commercial-free digital music channels. Easily find the programming your members want with the X1 for Business Voice Remote.

### Stay Connected with **Comcast Business Mobile**

Stay connected to members and employees at all times, even on the go. Allow members to reach you whether they have a quick question or would like to renew their membership over the phone. Comcast Business Mobile offers up to 20 lines and mix-and-match data plans so you can find what's right for your business.
