

Complete solutions for your **retail store**

Comcast Business is powering retail stores like yours with future-ready solutions, helping to keep you ready for what's next.

Comcast Business. Powering Possibilities™

Get the best connectivity solutions to stay connected — anytime, anywhere.

Keep customers connected with Gig-speed WiFi

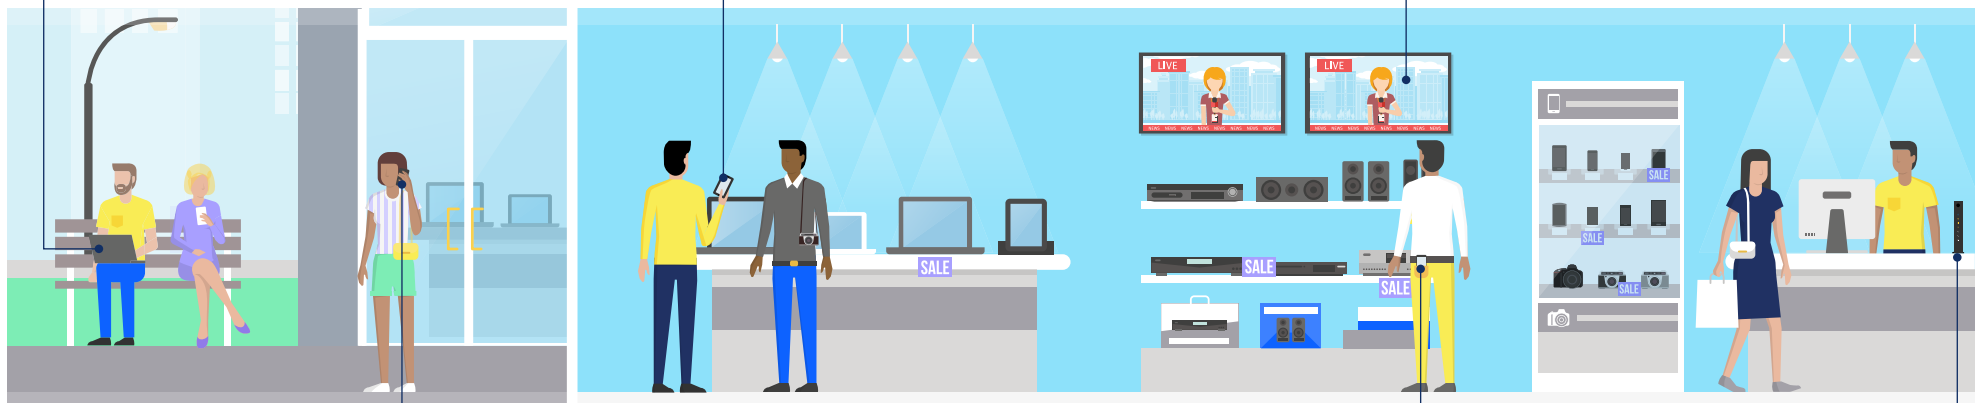

Connect customers to online ordering/payment apps and their social media accounts for check-ins. Promote sales on your splash page. Get coverage for the entire premise, plus advanced analytics and insights you can use to enhance your customers' experience.

Support new digital services and operations with fast, reliable Internet on our next-gen network

Get fast, secure and reliable Internet access to ensure mission-critical, connected systems run simultaneously during busy hours.

Create an exciting atmosphere with Comcast Business TV

Keep customers entertained while they shop. Set the mood with commercial-free digital music channels. We make all your TVs easy to manage from one location using the X1 Voice Remote App.

Stay Connected with Comcast Business Mobile

Stay connected to customers and employees at all times, even on the go. Allow customers to reach you regarding store hours and stock. Comcast Business Mobile offers up to 20 lines and mix-and-match data plans so you can find what's right for your business.

Help protect data from costly security breaches with Comcast Business SecurityEdge™

Help keep your store protected with an advanced security solution that blocks cyber threats on all devices connected to your network. Our security solution automatically updates every 5 minutes and will help customers feel confident knowing their personal information is kept safe.

Help maintain continuity with Connection Pro

Help keep your retail store connected in the event of a power outage or unforeseen circumstances with automatic 4G LTE backup.
