

Complete solutions for your **bar or restaurant**

Comcast Business is powering bars and restaurants like yours with future-ready solutions, helping to keep you ready for what's next.

Comcast Business. Powering Possibilities™

Get the best connectivity solutions to stay connected — anytime, anywhere.

Equip your business with fast, reliable Internet on our next-gen network

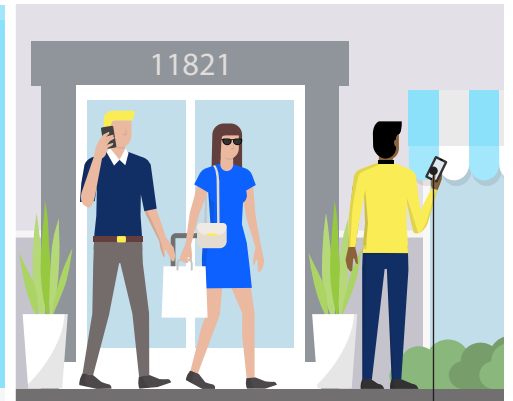

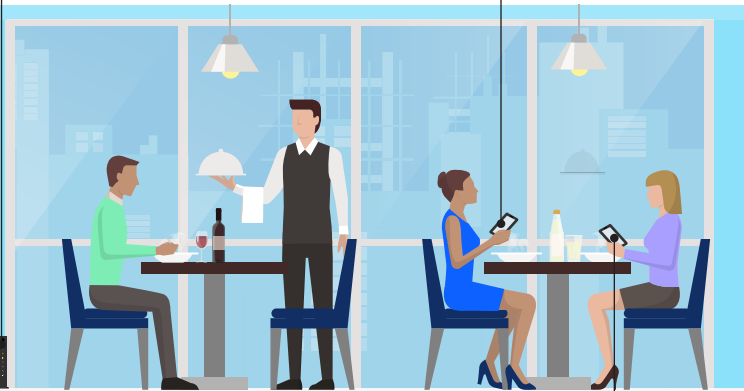

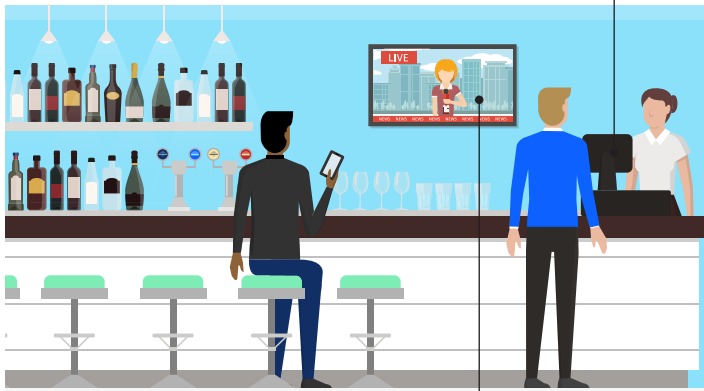

Get fast, secure and reliable Internet access to ensure mission-critical systems stay running during busy hours. Display a fully functional website that shows the menu, specials, events, hours and contact information.

Help maintain continuity with Connection Pro

Help keep your bar or restaurant connected in the event of a power outage or unforeseen circumstances with automatic 4G LTE backup.

Keep guests connected with Gig-speed WiFi

WiFi Pro from Comcast Business separates business and customer WiFi networks and allows patrons to stay connected while they dine at your location, without impacting employee Internet speed. Connect guests to online menus, ordering and payment apps. Promote specials on your splash page and encourage customers to share their experience on social media.

Create an exciting atmosphere with Comcast Business TV

Bring guests in the door with the shows, games and events they want to see. Set the mood with commercial-free digital music channels. We make all your TVs easy to manage from one location using the X1 Voice Remote App.

Help protect data from costly security breaches with Comcast Business SecurityEdge™

Help keep your bar or restaurant protected with an advanced security solution that blocks cyber threats on all devices connected to your network. Our security solution automatically updates every 5 minutes and will help guests feel confident knowing their personal information is kept safe.

Stay Connected with Comcast Business Mobile

Stay connected to guests and employees at all times, even on the go. Easily route incoming calls for takeout, reservations or events. Comcast Business Mobile offers up to 20 lines and mix-and-match data plans so you can find what's right for your business.
