

Complete solutions for your **medical office**

Comcast Business is powering medical offices like yours with future-ready solutions, helping to keep you ready for what's next.

Comcast Business. Powering Possibilities™

Get the best connectivity solutions to stay connected — anytime, anywhere.

Help protect data from costly security breaches with Comcast Business SecurityEdge™

Help protect devices connected to your network with an advanced security solution that blocks cyber threats. Our security solution automatically updates every 5 minutes and will help patients feel confident knowing their personal information is kept safe.

Keep staff connected with Gig-speed WiFi

Help everyone throughout your clinic stay connected with multiple WiFi access points. Separate business and public WiFi connections let you maintain Internet speeds.

Help maintain continuity with Connection Pro

Help keep your devices and equipment connected to the internet in the event of a power outage or unforeseen circumstances with automatic 4G LTE backup.

Create a welcoming environment with Comcast Business TV with X1 for Business

Keep patients entertained while they wait. Keep staff informed and entertained while on break. Find appropriate programming easily and control what is on TV from a single source. View live TV on any screen — mobile, tablet or desktop — with Xfinity Stream from Comcast Business.

Access and share information with fast, reliable Internet on our next-gen network

Get fast, secure and reliable Internet access to manage the sharing of electronic records, imaging files and cloud apps that run simultaneously during busy hours.

Stay Connected with Comcast Business Mobile

Stay connected to patients, staff and other providers with your business number, even when you're away from the office.
