

Complete solutions for your **religious organization**

Comcast Business is powering religious organizations like yours with future-ready solutions, helping to keep you ready for what's next.

Comcast Business. Powering Possibilities™

Get the best connectivity solutions to stay connected — anytime, anywhere.

Keep members connected with Gig-speed WiFi

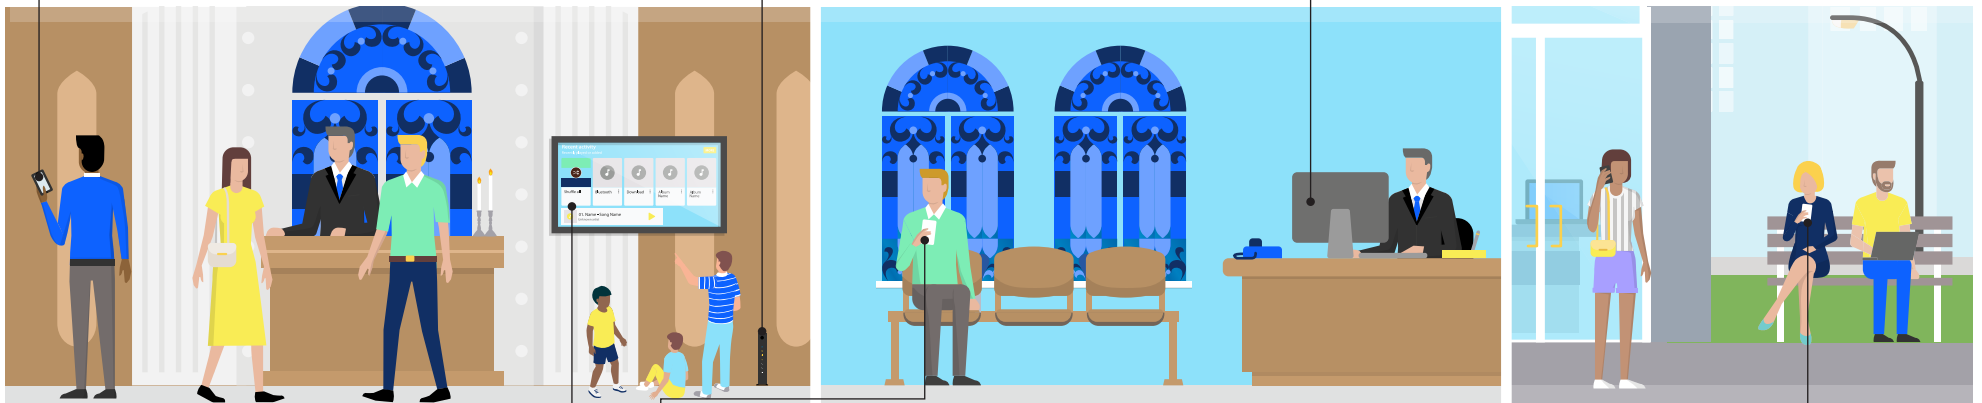

Promote upcoming events, religious study groups, and more when members log on to your WiFi. Network scheduling allows you to turn off WiFi during services, and separate business and public WiFi connections let you maintain Internet speeds.

Help maintain continuity with Connection Pro

Help keep your religious organization connected in the event of a power outage or unforeseen circumstances with automatic 4G LTE backup.

Engage your members and power business systems with fast, reliable Internet on our next-gen network

Get fast and reliable Internet access for sharing updates online and live-streaming services. Attract new members with an appealing and fully functional website.

Create a welcoming environment with Comcast Business TV

Provide your religious leaders with up-to-date news. Add to your organization's ambiance with commercial-free digital music channels. Keep children entertained and find appropriate content easier than ever with X1 for Business.

Help protect data from costly security breaches with Comcast Business SecurityEdge™

Help keep your organization's data protected with an advanced security solution that blocks cyber threats on all devices connected to your network. Our security solution automatically updates every 5 minutes and will help members feel confident knowing their personal information is kept safe. You can even block employees, volunteers and parishioners from accessing unwanted websites.

Stay Connected with Comcast Business Mobile

Stay connected to congregants, the community and volunteers with your business number, even when you're away from your place of worship. Comcast Business Mobile offers up to 20 lines and mix-and-match data plans so you can find what's right for your organization.
